

SilGNS that she is not that into you: (guys get smart!!!!!!!!!!)

1. She never answers your call
2. When you want to talk to her in public, her friends are ALWAYS in your way
3. She is constantly mentioning her ex's to you
4. When she tells you "I'm not that into you"
5. She starts a fight with you for stupid things (i.e. you didn't put the dishes in the sink which equates to world war III)
6. She refuses to accept you as a facebook friend (there is nothing wrong with your online connection, or facebook, she just doesn't want you a friend)
7. She doesn't like physical attention from you
8. She doesn't pitch for your date (she hasn't forgotten)
9. She keeps on cancelling on you
10. She tells you that she is not ready to date
11. When you ask her who is your perfect guy, she describes your best friend
12. Multi-choice syndrome: She talks about dating other men
13. You have to work way too hard to see her
14. She is so LAZY to see you (makes no effort)
15. She flirts with other guys in front of you
16. She refuses to introduce you to her family and friends
17. She demands to pay half the bill on the first date (she doesn't want to owe you anything)
18. You have been dating for a while and have not been intimate (holding hands, kissing in public, etc)
19. She doesn't say "I love you" back
20. When she tells you that you are "such a nice friend," she means that you are such a nice FRIENDS. that's it!

We are here to help you through this difficult time:
